

NEXT 10 YEARS \$45 MILLION INFRASTRUCTURE INVESTMENT

Residents will benefit from \$45 million in new infrastructure and services. The Independent team will ensure these investments deliver for ratepayers, especially former Holroyd residents.

Financial:

- Cumberland Council's deficit: \$6.4 million (exceeded expectations; Reference: C11/21-882).
- Ranked 7th-worst in NSW, losing \$81.6 million from the merger (Reference: LSI Consulting, SMH, 31 October 2020).

Greg Cummings' Contributions:

- Opposed unnecessary shopfront proposal (See Facebook @TheIndependentsGreystanes).
- Supported retention of Guildford Swimming Centre; \$8.95 million upgrade voted in 2019, now progressing thanks to Dr. John Brodie and Greg Cummings.

Public Participation Changes:

- Previously: Unlimited time for residents to address council.
- Currently: Only 30 minutes allocated per meeting.
